

MSLD RB – REFLECTION BLOG

An important part of the learning process is taking time to reflect on what you have learned and see how it fits into the greater construct. You will have the opportunity to write a reflection based on a variety of activities in the modules. The format for these reflections is a blog.

Important Notes

- Write a **300-word** (minimum) blog entry
- Name your blog entry using the assignment naming convention:
 - ActivityNo_LastNameFirstName (eg. A520.1.1.RB_SmithJohn)

To submit your Blog

1. Copy the URL from your browser address bar.
2. Submit your Assignment by opening the activity from the Modules page and selecting the “+”
3. “Submit Assignment” link in the upper right corner of the assignment.
4. Paste your Blog's URL into the Assignment Submission area.

Rubrics

Your instructor will evaluate your blog assignments using the MSLD rubric linked with each blog activity.
